ALL BIDDERS PLEASE READ

Terms Governing This Sale

Bidders unknown to us will please furnish bank or other references or deposit 25 per cent with their bids and it is agreed that remittance will be made upon receipt of invoice if references are not furnished.

Any coin which is not satisfactory may be returned within five days from date of receipt for full refund. **You must be satisfied. PAYMENT TO BE MADE UPON RECEIPT OF MERCHANDISE.** Coins remain our property until paid for. There will be no charge for executing your bids but the purchasers will be required to pay the postage and insurance on their purchases. If you do not wish coins sent airmail please note this on your bid sheet.

We shall welcome your bids and will try to purchase the coins as much below your bids as possible. **PLEASE BID BY THE LOT.** Unlimited bids are executed at an advance of 5 per cent over the next highest bid. Numbers in () are the quantity of that item.

If you are interested in any particular coin, we shall be glad to have you write us for full information. **LOTS CANNOT BE BROKEN.** Be sure you bid on the correct lot as we cannot be responsible for errors in bidding.

NOTICE TO NEW BIDDERS

Our Mail Auction Sales Are Conducted in the Following

1. Bids are entered in the order received; if identical bids are received, the first bidder is awarded the lot. **SEND BIDS AIRMAIL—IT PAYS.**

2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. **Bids you send in are the maximum you are willing to pay for the coin. WE, AS YOUR AGENT, TRY TO BUY THE COIN AS LOW AS THE NEXT HIGHEST BID WILL ALLOW.**

3. Valuations placed in the auction catalog are catalog prices, prices generally asked by dealers when the coin is in stock, or prices generally realized at auctions.

ANY COIN WHICH IS NOT AS REPRESENTED MAY BE RETURNED WITHIN FIVE DAYS FROM DATE OF RECEIPT FOR FULL REFUND. YOU TO BE THE SOLE JUDGE AS TO CONDITION. YOU MUST BE SATISFIED. No, you won't receive a nasty letter for returning a coin—instead you will receive a letter thanking you for calling attention to the error made in cataloging. While we try to describe coins as accurately as possible, it is inevitable that an occasional error is made in the cataloging of thousands of coins each month. Whenever this happens, we want it called to our attention to help prevent future errors.

The coins will be on display the day of the sale at our offices and can be seen by appointment any day prior to the sale.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogs.

A. M. KAGIN

PAUL KAGIN

HOLLINBECK COIN COMPANY

Any coins may be inspected prior to the sale, collector to pay postage and insurance both ways.

**YOU WILL WANT A PRICE LIST OF THIS SALE
TO KNOW WHAT COINS ARE BRINGING
PRICE LIST OF SALE 50c**

IS THIS YOUR FIRST AUCTION CATALOG?

Proof coins, currency and commemoratives seem to be rising the most rapidly at present with most bringing close to listed values and a great number bringing even more. Many are rising from month to month with a number "just not obtainable." The coins most in demand will have the greatest number of bidders and with the law of supply and demand working, these coins keep setting new records.

Occasionally a collector writes us asking why our estimated values in some instances are higher than the catalog listing. This occurs when the demand is so great and the supply so small that new records are set whenever these coins come upon the market. If one will take a few moments to reflect he will understand that it takes several months to compile the necessary information before the catalog can be published, therefore, it is inevitable that the catalog listing will be under the prevailing market price on the items in popular demand, at the time of the publication. **The estimated prices are entered only after careful examination of the results obtained in our past sales which reflect the actual and not theoretical value.** In the final analysis, you, the collector, are the one who sets the price.

BIDS ARE RECORDED AS FOLLOWS: Each bid sheet is given a number as it comes in, and the bids are recorded. In the event of identical bids, the first bidder receives the lot. At the last day of the sale, the books are closed with the highest bidder on each lot being awarded the lot at an advance of not over 5% above the next highest bidder. For illustration—the two highest bids received on a lot may be \$17 and \$20. The highest bidder who bid \$20 would receive the lot at \$17.25. We act as your agent and use your bids as a limit—not as a final bid unless we are forced to do so to obtain the lot. We accept unlimited bids which generally assures the bidder of obtaining that lot regardless of what the highest bid may be. Where the lot is bringing far more than we believe it is worth or in the event of two unlimited bidders on the same lot, we notify the unlimited bidders by phone or wire, if necessary, in order to obtain a fixed limit to the bid. Even tho auction purchases are supposed to be final, we do not want you to keep any lots which you believe are improperly described. We endeavor to treat our customers as we would wish to be treated were we collecting. Coin collecting is a personal hobby which makes life a little more pleasant. We try to keep it on a friendly basis and value the many friends we have made thru the years. If you have any complaints, we want to hear them as well as any compliments.

BARGAINS GALORE

In every sale, some lots go at "bargain prices." May we suggest that in addition to bidding on those lots you "really want," you place nominal bids on those lots that "you might buy if they went at bargain prices." While you may not obtain many of these "bargain lots," yet in every sale you may pick up some real bargains.

Sincerely,

A. M. KAGIN and PAUL KAGIN.

YOU MUST BE SATISFIED

Our Sales Are Cataloged With You In Mind. If you have any suggestions, complaints, compliments (yes we receive some now and then) we want to hear them. Having cataloged over one hundred forty successful coin auctions, we believe we are qualified to advise and help you with your numismatic problems. No, we don't "know it all" but we do know where to obtain the information we don't have.

We have a number of want lists on hand for the scarce and rare United States coins and currency. Our average commission for obtaining these specimens is only 10 per cent, therefore we believe we can pay the top price for your choice and scarce pieces, no matter how rare. Don't you think it is worth a 6c airmail stamp to find out what we would pay for your outstanding pieces? Naturally we buy collections, too.

SOMETHING NEW HAS BEEN ADDED

We wish to call your attention to the new service extended as per the bottom of the bid sheet. After receiving requests to apply the amount saved in the awarding of successful bids below the bids authorized, we decided to avail this service to all of our clients. It is often exasperating to lose a lot by a few nickels when the amount saved on the successful bids would have been sufficient to increase the original bid to the point necessary to receive the lot. Check the bottom of your bid sheet.

20 Year Professional Case History

In March, 1933, A. M. Kagin joined the ranks of the professional working for the old Hollinbeck Stamp & Coin Company of Minneapolis, Minnesota, which was founded in 1928 by R. O. Hollinbeck. When it was decided to expand into a chain of stores, A. M. Kagin was selected to operate the first branch store which was opened at Omaha, Nebraska, in 1935. When the next store was opened at Des Moines, Iowa, in 1936, A. M. Kagin was transferred there where he has remained since. In 1938 A. M. Kagin was placed in charge of the numismatic division of all the Hollinbeck Stamp & Coin Stores. In 1940 Paul Kagin joined A. M. Kagin in Des Moines.

World War II came along and changed things considerably. The old Hollinbeck Stamp & Coin Company was dissolved as the managers entered the service and Mr. Hollinbeck ceased his connections with the business. A. M. Kagin and Paul Kagin acquired sole rights to the use of the Hollinbeck name and all the assets of the various stores with the exception of the Minneapolis store which was otherwise disposed of. In 1945 A. M. Kagin and Paul Kagin decided to devote the major portion of their time to coin auctions and moved upstairs in the same building where the store had been located since 1936.

As we approach our 149th sale (March 30), we take great pride in the growth of the present Hollinbeck Coin Company and pay tribute to Mr. Hollinbeck whose original method of doing business was "Treat the Customer As You Would Wish to be Treated Yourself." We have tried to continue this policy to the best of our ability.

A. M. KAGIN,

PAUL KAGIN

7½ OUNCE GOLD MEDAL OF BRUNSWICK-LUNEBURG

1798—From our September 1951 sale wherein it was described as follows:
"Obverse bust Wilhelm Herzog with Wilhelm Herzog Zu Braunschweig U. Luner" around edge; reverse seated woman holding wreath in air, "1831-1881" and coat of arms at right, BRILLIANT PROOF. Almost 2½ inches in diameter and weighs approximately 7½ ounces. Mounted in a special presentation box. A beautiful medal which should give a great deal of pride and pleasure to its fortunate owner. The present owner states that only two specimens existed, this one and another in Europe. The European specimen was supposed to have disappeared during the war and its present whereabouts is not known. The owner further states that the medal is worth \$1500. Since this is the first specimen we have seen we cannot vouch for the story of the estimated value. However, we have known the owner a good many years and have found him to be entirely reliable in the past. Regardless of its value, this beautiful gold medal will be sold to the highest bidder."
